Since the introduction of HKEX's listing reforms in 2018, new economy companies have become the fastest growing segment of Hong Kong's IPO market. These companies are increasingly coming to HKEX to gain international exposure, proximity to China and access to our deep, vibrant and liquid markets. HKEX Chief Executive Officer Nicolas Aguzin will explore how the exchange's reforms of 2018 and other new initiatives are helping Hong Kong maintain its position as a premier capital raising centre, and allowing HKEX to connect capital with opportunities, support businesses of the future, create jobs and drive post-Covid economic recovery.</i></p> <p><i>He will also share his views on the trends and opportunities that are underpinning Hong Kong's future as a leading financial hub for global innovation and progress.</i></p>
