Online Submission

HOW TO APPLY?

Each team must submit one application as a presentation deck (maximum 5 slides), covering key elements such as team structure, solution idea, and implementation plan. [Click [HERE](#) for Submission Guideline]

<https://jumpstarter.hk/en/zpire>

APPLY NOW!

The selection of student startups is based on your submission material, which will be assessed by our judging panel. Please ensure that you have completely filled out the information according to our requirements.
